Dear Boyuan,

Congratulations! It is my distinct pleasure to offer you admission to the Doctorate in Computer Science program at NYU Tandon School of Engineering as a Full Time student.

As an NYU Tandon School of Engineering graduate student, you will discover the resources and inspiration to turn your research into innovations, products, services, and entrepreneurial ventures. You will also enjoy the benefits of:

- Our world-class faculty, engaged in cutting edge research at the boundaries between disciplines. Students
 and faculty share a passion for the creation and execution of world class research and projects with global
 impact.
- A rigorous graduate curriculum that will develop your technical knowledge and introduce you to latest developments in your area of specialty, preparing you for leadership positions throughout your career.
- A diverse environment for worldwide collaboration and networking. New York University is a global university providing you with the opportunity to work with students and faculty from around the world.

You and your future classmates have demonstrated the academic accomplishments and leadership potential that will support your success in our graduate programs, which have been a long-standing hallmark of NYU School of Engineering.

Be sure to accept the offer of admission and reserve a space in the Fall 2021 class before your deposit deadline. To view your deposit deadline and find instructions on how to accept your offer, visit engineering.nyu.edu/grad/accept-offer. You also have access to your personalized dashboard at gradadmit.engineering.nyu.edu. There, you will also find information about your curriculum, ways to connect with fellow classmates, and information about upcoming admitted student events.

Boyuan, I look forward to greeting you in the coming months. I have no doubt that you will make significant contributions to our community of scholars, researchers and professionals. Welcome to NYU Tandon School of Engineering.

Sincerely,

Elizabeth Fern Ensweiler M.Ed
